**Concentrate**

Makes 100 Gallons

# Tick Free™ Organic Tick Control™

Tick Free™ Organic Tick Control™ both organic and kosher can be used year round. Not recommended for fruit trees or edible crops. Product does not cause discoloration.

## Commercial Use Concentrate

Directions:

1.28oz to make 1 gallon rtu / 12.8oz to make 10 gallons rtu / 128oz to make 100 gallons rtu

Fill tank with water then add product. Shake & pour into clean sprayer. We recommend spraying all grassy areas, under shrubs, up to 30ft of wooded areas, wood piles, leafy areas and anywhere on property where it is shaded and moist. Can also be sprayed directly on swing sets and patios. Apply every 30-60 days depending on severity of infestation. 128oz of concentrate makes approx. 100 gallons of ready to use. Do not dilute more than recommended. You and your customers will enjoy the pleasant scent of cedar and not have to worry about toxins or contamination. Yard can be used within 15 minutes of application.

Garden Girls Repellents™ LLC is dedicated to develop products that effectively reduce pest damage without the use of chemicals and also asserts that it complies with EPA regulations or 25(b) exempt pesticides.
